

Summer Camp Scholarship Application

At the heart of Adeline Christian Camp is a desire to help people find Christ and grow in their faith. Following in that vision, Adeline Christian Camp has created a summer scholarship fund to offer financial assistance to those who would otherwise not be able to attend camp. Funds are made available through donations received from various churches, organizations, and individual supporters. Scholarships are offered to campers on a first come first serve basis, as well as needs based. Summer camp scholarships will be considered after the following steps have been completed:

1. Contact the church you are affiliated with.
We ask that your church support 50% of the total camp cost.
2. Fill out scholarship application.
3. Send your supporting payment of 25% of the total camp cost.
This payment is not required until after approval. If there is no church assistance, the camper family/guardian(s) is responsible for 75% of the total camp cost.
